

DAY 2

Time	Agenda / Program Item	Scope & Key Actions	In-Charge / Lead
08:00 – 08:30	Venue Opens & Team Roll Call	• Access to tech pits opens for teams and adjudicators. • Battery charging diagnostics, safety inspections, and frequency checks.	Competitions Team & Marshals (Harraz & Aliff)
9:00	Final	Final	Competitions Coordinators (Naim, Harraz & Samuel) / Technical Partners
09:00	Innovation Challenge & Scratchathon Final	final	
09:00 – 10:00	Workshop Slot: Basics of Robotic Coding Using Python	• Applied microcontroller programming in Python. • Logic structures, motor drive loops, and autonomous sensor control. • Venue: Workshop Area A	Workshop Coordinators (Samuel & Hidayat) / Cytron & Chumbaka
10:30 – 12:00	Workshop Slot: AI for Robotics	• Hands-on exploration of machine vision, object detection sensors, and edge AI applications in modern robotics. • Venue: Workshop Area A	Workshop Coordinators (Samuel & Hidayat) / University Partners & SSCIE X

12:00 – 13:00	Lunch Break & Final Score Auditing	• Coordinated meal break for participants, crew, and adjudicators. • Secretariat compiles final rankings and verifies top 3 winners for all 9 competition categories.	F&B Team (Siti Zunaizah & Bradley) / Secretariat (Emeza Mui)
14:00	Transition to Official Closing Protocol	• Competition arena power-down and tech pits cleared. • Ushers begin marshaling winners, participants, and VIP arrivals into the main hall for the Closing Ceremony.
